

## Reflow ovens

- **Infrared reflow oven RK300**

- Heating area 320 x 300 mm
- max. temp. 250°C
- 

- **Hot air / Infrared reflow oven RK320**

- Heating area 320 x 220 mm
- Lead free soldering
- max. temp. 290°C
- 

- **Hot air / infrared reflow oven RK360**

- Heating area 330 x 220 mm
- Lead free soldering
- max. temp. 300°C
- 

- **Hot air / infra red reflow oven RK460**

- Heating area 460 x 460 mm
- Lead free soldering
- max. temp. 300°C
- 

- **convection conveyor reflow oven R260**

- lenght of the process chamber - 860mm
- max. PCB width 260 mm
- lead free soldering
- 

- **convection conveyor reflow oven R360**

- lenght of the process chamber - 1400mm
- max. PCB width 360 mm
- lead free soldering
- 

- **convection conveyor reflow oven R460**

- length of process chamber - 2400mm
- max. PCB width 460 mm
- Lead free soldering
