

- **Precision SMT p & p machine P1**
- **Component centering:** optical alignment system
- **Placement rate:** up to 600 cph

- **Precision SMT p & p machine P10**
- **automatic placer incl. dispensing head**
- **Component centering:** optical alignment system
- **Placement rate:** up to 600 cph

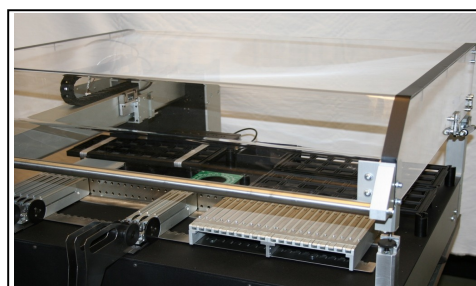

- **Precision SMT p & p machine P20**
- **Component centering:** optical alignment system
- **Intelligent feeder system**
- **Placement rate:** up to 1100 cph

- **Precision SMT p & p machine P30**
- **automatic placer incl. dispensing head**
- **Component centering:** optical alignment system
- **Intelligent feeder system**
- **Placement rate:** up to 600 cph

- **Precision SMT p & p machine P40**
- **Component centering:** optical alignment system
- **Intelligent feeder system**
- **Placement rate:** up to 2000 cph

- **Precision SMT p & p machine P50**
- **Component centering:** optical alignment system
- **Intelligent feeder system**
- **Placement rate:** up to 3000 cph
